

SAVORING LONG ISLAND | 2019

An Insider's Wine & Culinary Experience
APRIL 24 TO 27, 2019

Join us on a boutique, expertly-curated wine & culinary exploration of the famed North Fork of Long Island, heralded for its world-class vineyards and farm-to-table cuisine.

THE EXPERIENCE

Our personal relationships with the region's leading winemakers, chefs and artisans mean you'll swirl, sip and savor with and learn from the best, through experiences available only through us. You'll share in our VIP status at vineyards, specialty farms and restaurants, with behind-the-scenes access and unforgettable private experiences.

Our home base will be the luxurious Harborfront Inn in the Village of Greenport, a historic seaport steeped in history that was recently named one of the prettiest towns in the U.S. According to the *NY Times*, "The North Fork's casual, recreation-friendly lifestyle is often a selling point...NoFo conveys the region's urban-chic meets-country-casual vibe."
